Kia ora & welcome!

We opened our doors in 2004 and have managed to establish ourselves as a bit of an institution in Aviemore with a reputation for fantastic food, a friendly and relaxed atmosphere and an amazing view of the Cairngorm Mountains. Being a Kiwi I craved the cafe culture from back home with its laid back approach to offering great coffee, fresh food and friendly service. In short, I wanted my own wee piece of NZ in Scotland so

I dived in and created the Mountain Cafe! Ingredients are locally sourced wherever possible, fresh and of the highest quality. The food is healthy and wholesome and caters to a range of needs as well as hopefully being totally delicious.
